

A guide and news source for expats in Hungary

<http://www.xpatlink.hu>

Xpatlink is a special link collection that intends to be a compass and news source to guide the everyday life of foreigners living in Hungary: a selection of the best available English language information sources on the country and all its useful and interesting sites.

To be user friendly, we have arranged the hyperlinks in thematic boxes. At present,

in the left column one can find the RSS links of the most frequently refreshed websites. In the other two columns, we have collected several links leading to English-language contents we judged to be useful: restaurant, foreign representation offices, pet clinics, universities and so on.

Our goal is to make Xpatlink the starting website for the ex-patriots of Hungary.

You have the following opportunities to appear in Xpatlink collection for an advertising fee:

(1/4) with partner logo and hyperlink in the header

List price: HUF 24,000/month

List price: HUF 15,000/day - HUF 75,000/week

Changing the sales structure after closing the starting period certainly provides us opportunity to create AV-based fees.
